Case No. 130

NOTICE OF INTENT TO BE A PARTY

Pursuant to Arizona Revised Statutes § 40-360.05 and Arizona Administrative Code
Rule 14-3-204, Harquahala Valley Farms Partnership ("Harquahala Farms") hereby files this
Notice of Intent To Be A Party.

Harquahala Farms is the owner of highly productive farmland in the Harquahala
Valley. Harquahala Farms recently learned that as an alternative to a portion of the primary
proposed route, the Applicant seeks approval of a 1,000 foot-wide, East-West corridor
through the heart of the Harquahala Valley farmlands. Accordingly, Harquahala Farms'
interest in these proceedings arises from the Application's inclusion of this route referred to as

1 the "Harquahala-West Subalternate Route" for the DPV2 line (page 3, lines 10-16, Notice of
2 Hearing). Harquahala Farms opposes the Harquahala-West Subalternate Route because of the
3 significant adverse impacts it would have on farming operations as well as the overall scenic,
4 aesthetic, social, and economic values of the Harquahala Valley community.

5 Respectfully submitted this 23rd day of June, 2006.
